

# *the* POWER *of* PINK

## Fashion Show

### About the Event

LRMC has partnered with Susan G. Komen Austin to have a family fun event featuring breast cancer survivors and fighters on the runway. This event is set aside to truly honor and empower these beautiful women in our community who have fought extra hard for their life. We want to recognize them and make them feel special. They will be treated to a day of luxury (including hair and make-up) and then local boutiques will pick a style that fits their personality. Their final look will be showcased on the runway at the Power of Pink Fashion Show.

Bring your whole family and enjoy food trucks, kids zone, shopping and much more. Thank you in advance for helping us recognize our local survivors and for empowering those who are still in the fight. Help us empower these women and give them all the support we can.
